Sir,

Sub Construction of temporary sheds for the use of the Municipal High School, Anekal

I have the honour to state that the Municipal council Anekal resolved at a special meeting held on 20-5-48 to put temporary sheds for the use of Municipal High School which was to reopen shortly after the summer holidays plans and estimates were got prepared by the Public works Department Sub-overseer of the place According to the estimate the cost of three rooms was Rs 2500/- Without obtaining the necessary sanction for the proposed work, and without even getting the estimate scrutinised the President entrusted the work to one Sri S Ramaraju The rooms are constructed in the premises of Monie nivas belonging to the Bangalore District Board in which building the High School is at present located The contractor has presented a bill for Rs 2103-5-0 and the council have paid him Rs 2000/-

The Executive Engineer Bangalore Division has scrutinised the estimate for Rs 2500 as per his letter No 257 dated 15/20-9-48 This is an expenditure for which provision is not made in the budget of the municipality The President has reported that the work being of an urgent nature the execution of the same could not be delayed till necessary sanction was obtained The Municipal council have approved the estimate at their meeting on 1-8-48 The work has been executed at the rates approved by the Public Works Department The council ought to have invited tenders before giving the contract which has not been done, and the necessary sanction not obtained

As the work has been got done in the interest of the High School and as the same could not be delayed till sanction was communicated, I request that Government may be pleased to condone these omissions and approve the resolution of the council dated 1-8-48 to meet the expenditure out of its closing balance during 1948-49 The connected papers and estimate accompany for favour of kind reference

Yours faithfully,

DEPUTY COMMISSIONER
